Rainbow's May & June News

Ms Beth and Ms Traci cannot believe that our year has flown by so quickly. We are having so much fun; we are not ready for it to end yet. We are so glad we still have a whole month left.

This month we will be starting off with our Mother's day fun. We will be making special homemade gifts. Shh …we are not going to tell until May 10th @ 11am for the Rainbow 2 class and May 11th @ 11am for the MWF Rainbow class. Please join us in celebrating how special we think our moms are. We will be talking about how God gave us parents to guide us through our lives, in honor of Mother's Day. Our bible stories are Samuel and how to listen to God's voice; also Jonah and the big fish.

With summer coming we will be talking about oceans. We will be making starfish and numbered fish. We will also be working on numbers and letters. We will be replanting our seeds that we grew in our classroom, to take home with us for the summer. The weather has turned warmer and we will be having tons of fun outside.

June 1ST is our last day of school. The whole preschool will join together in the worship space for our moving up ceremony. Friends and family are invited to join us at 11:00 for a closing ceremony in our worship space we will be celebrating all our students have accomplished this year!

Don't forget to sign up for our Summer day camp to have the fun continue until June 14th!
