A Note From The Teacher

March was so much fun! I loved getting time to sit down and talk to you all about your beautiful children! April is also going to be great. We will continue to learn about the real meaning of Easter. We will also be reading nursery rhymes and fairy tales. It's going to be a fun month!

He gave his only Son." John 3:16

Letters: Review

As always we will be reading some great books and getting our hands AND feet messy doing many fun crafts!

Reminders

Art Show: April 22nd 5-7pm

No Lunch buddies: April 22nd

Don't forget to:

- check the calendar for your child's snack day
- check and empty your child's folder every day

Learning Focus

Our focus this month will be the real meaning of Easter and what it means for our lives. We will also be talking about imagination and rhyming.

At home continue to be reading and counting with your child! Have your kids find letters and words around the house and ask them what the letter says! Have your them practice coloring inside the lines. It is really good for hand strength and control.

Ask your kids about Bible lessons on Wednesdays! This month we will be doing:
The Resurrection, The Holy Spirit, and Peter and John
