28	29 Happy Birthday Charlotte!!  Charlotte	30				

The Stars

April 2024

Happy Spring!!! We are excited to enjoy some warm Spring weather!! And we wish you all a blessed Easter season!!

Our themes this month will be Spring, nature all around us, new life, and healthy living. We will continue to review all our colors.

As the seasons change, we will be learning about Spring and the growth that it brings. To bring this to life, we will be planting our own potted flowers to watch grow in our classroom. Be sure to ask your child about the progress of their plant growth. At the end of the month, we will welcome some ladybug eggs. We will get to watch their incredible metamorphosis as they go through each stage of their life cycle right before our eyes!

This year's Art Show will be a great one! Don't forget to come and see your child/ren's beautiful artwork displayed on April 22.

Our Stars will be invited on Friday, April 26 to get moving! To kick off our healthy living unit, we will be getting together with our Rainbows friends to make our own healthy snack and learn some healthy living habits. If you would like to teach the class your favorite way to exercise, please contact Ms. Nicole.

Calling all amazing moms! Save the date for our Stars Mother's Day Tea on Friday, May 10 at 11:15am. Your children are looking forward to sharing this special day with you and will be taking this opportunity to show you just how much they love and appreciate you.

April Dates to Remember:
