The Stars

January 2024

Happy New Year!! Welcome back to school! We hope you had a rejuvenating and blessed holiday break. Get ready for tons of fun as we ring in 2024!

Our themes this month will be winter, animals, and our imagination. We will be reviewing all our colors.

Our Bible stories this month will be "Noah's Ark" and "God Heals the Blind Man".

One of our favorite days of the year is coming up in January! Don't miss Hibernation Day on Friday, January 12! One of the ways we celebrate is by placing stuffed animals in our classroom cave to "hibernate" until spring. We encourage everyone to bring in an animal, but want to make sure the animal that is chosen to hibernate is not one that is consistently played with or slept with. They cannot be disturbed while hibernating, and as such, will not come home until the spring.

We'd like to send a friendly reminder that we do try to utilize our outside playground as much as we can, all year long. But we do not want anyone getting sick outside during the cold winter months. So hats, gloves, scarves, etc are welcome for the winter!
